THE PIZZAROVA STORY

It all began in 2013. Roaming the towns of Somerset with our converted Land-Rover Defender, serving top-quality pizzas to families, friends and festival-goers. Since then our passion has only grown for providing great pizzas to the people of Bristol in our four city locations with our iconic Land-rover still cruising the South-West. Each pizza is lovingly hand stretched with 24-hour proved sourdough, made each day with our 80 year old starter. Visit our website to find out more about our retail line or renting the 'Rova'.
